## PRODUCTION COMPANY - VISION

We are an audiovisual production and distribution company focused on promoting African and Afro-descent culture worldwide.

Our primary goal is to create a space where productions highlighting diverse stories from Africa, the Caribbean, and South America as well as the untold stories of the diaspora can thrive and find opportunities.

Our objective is to produce high-quality, captivating, and socially engaged content that contributes to promoting underrepresented communities.

We aim to share our narratives collectively.

## FORMATS

- **SCRIPTED** Productions
- **LIVE RECORDING** performances
- **DOCUMENTARIES**
- **ANIMATIONS**

# **MY OPPORTUNITIES**

**MY EXPERTISE**

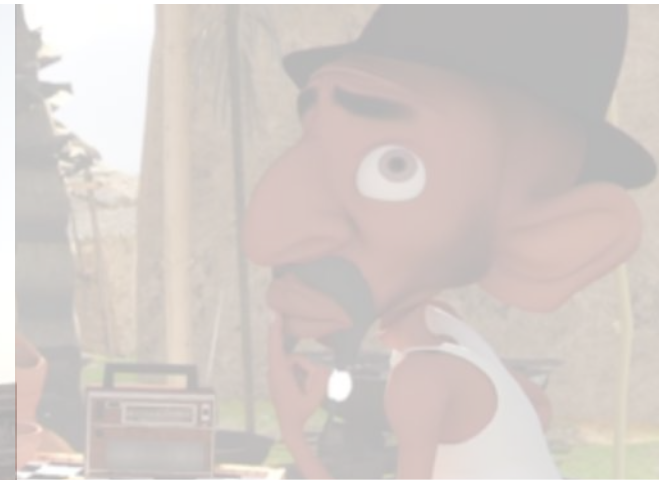

Select premium projects and pitch them to potential producers, networks, and platforms to secure funding.

Guide authors through the text development process to meet the needs of client co-producers and networks/platforms.

Manage the production from its financial valuation to transforming the concept into a prototype.

Prepare authors and distributors for international pitch sessions.
